Archive ns-728ab9c9b5d20199.pmtiles. NSRN: 2026-09-05; GeoNames: 2026-08-05; Water polygons: 2026-05-05; Water lines: 2026-05-05; Woodland: 2026-05-05; Municipal boundaries: 2025-12-05. NSTDB 1:10,000; woodland generalized at 2 m. Closer zoom magnifies source detail. Roads and paths do not establish access permission. Null source geometries are omitted and listed in the receipt. Receipt: <https://kinnokilabs.com/apps/nsmarksthespot/map/atlas/provincial/source.json> Crown Land (<https://data.novascotia.ca/d/3nka-59nz>), released Sources and licences continue on the next page.

Sources and licences (continued)

2026-09-05. Project-derived union of mapped Crown Land, including full or partial provincial interest. Fill only, without boundary lines; holes and disconnected areas retained. Not a parcel survey, ownership determination or permission to enter. 3 source records omitted. GEOS MakeValid structure repair; full-precision cascaded union; topology-preserving 0.000018 degree simplification (at most 2 m); unoutlined polygon fill. MVT display quantization at 8192 units per tile; no parcel attributes assigned to union components. Archive crown-973c8aad9298485e.pmtiles.
